Code of Ethics:

The Fire Service Office Administrator is a noble calling. To ensure the continuing integrity of the Fire Service, the highest standard of ethical conduct must be maintained at all times. As members of the Fire Service, we expect our members to project an ethical character of professionalism, integrity, compassion, loyalty and honesty in all that we do. As public officials, we have a responsibility to uphold the provision of the Oregon Ethics Law and the Oregon State Statues.

By accepting this code of ethics as our standard, we create a legacy that validates and sustains the distinguished Fire Service institution, and at the same time ensures that we leave the Fire Service in better condition than when we arrived.
